Dear participant,

On behalf of the Executive Committee of the **17th INFOCUS and 1st ISHAM LATIN AMERICA CONGRESS** we invite you to participate in this meeting which will take place from 13th 16th November 2019 at the Deville Prime Hotel Convention Center Congress Venue, Rua Passargada, S/N, Itapuã, Salvador, Bahia – Brazil.

INFOCUS is a meeting delineated for medical mycologists, microbiologists, epidemiologists, infectious diseases specialists, oncologists, transplant physicians, intensivists, and all other health care workers and students interested in Medical Mycology. After 16 successful editions of INFOCUS that were hosted in 5 different countries in Latin America, INFOCUS became the most comprehensive and relevant meeting in the field of Medical Mycology in our region. In 2019, INFOCUS Latin America will be hosted in Salvador, and, by the first time, our scientific program will be organized in collaboration with the International Society for Human and Animal Mycology (ISHAM), that gave us the opportunity to create the first ISHAM Latin American Congress in synergy with INFOCUS.

It must be understood that this letter does not represent a commitment on the part of the meeting organizers to provide any financial assistance.

Sincerely,

On behalf of the Organizing Commission

Vanessa Bostelmann
Executive Secretariat
